Reflections

A pause to turn and take
a backward glance at our year past, and we behold
a profusion of images of memory,
imposed one on another.

Some are somber, some are brilliant.

They disappear, then reappear...and there
are faces and places and things we knew in passing.

But these are only our memories.

The record has been written, and we are proud.

We know

that the passing of time will fade the colors

and obscure the forms of

the kaleidoscope, and

finally,

they will be dissolved into the mists of infinity.

Then...there is only the record.

We are glad

that our fortunes let

us walk this way.

L. D. Horrigan Superintendent

The successful running of a school requires countless hours of planning and supervision. Mr. Horrigan with the aid of the School Board is instrumental in providing for a better and more efficient high school. He maintains friendly relations with the community well as with the students.

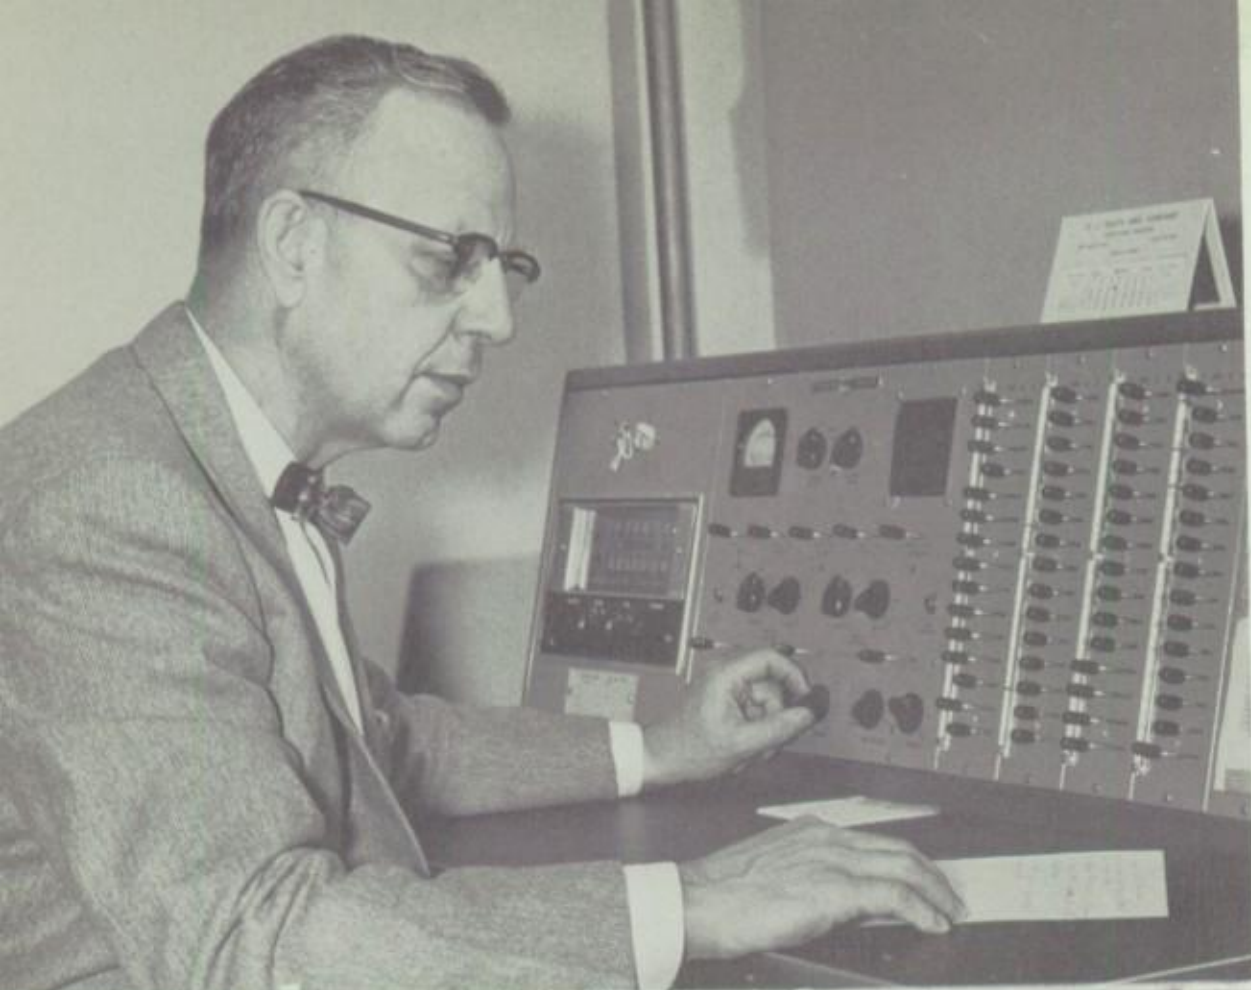

School Board

Working constantly to improve the standards of Brookings High School, the School Board is confronted with the problem of providing adequate space for an ever-expanding school. Planning for school reorganization and studying ways of increasing the budget occupy their time.

Those Who Head Our School

Mrs. Ruth Flittie, Dr. Stanley Sundet, Dr. D. E. Kratochvil, L. D. Horrigan, Charles Webbenhurst, J. C. Shirley, president, Mrs. R. N. Masson.

Virgil A. Bell Senior High Principal

Continuous studying and planning of a changing curriculum, scheduling of classes and teacher's programs as well as assisting teachers in their work are some of the duties of Mr. Bell. In spite of a busy schedule, he still finds time to help students with their problems and questions.

Floyd A. Johnson Junior High Principal

Working with an ever-growing group of pre-high school students, planning the advancing year's curriculum, plus keeping close contact with teachers and students, are the school duties which create a busy schedule for Mr. Johnson.

Charles Webbenhurst Business Manager

Planning the budget for the school system, managing all expenses in connection with school activities, and purchasing needed school equipment, plus over-seeing the work of the custodians, are a few of the duties of Mr. Webbenhurst.

Graduation

Our graduation marks the completion of one part of our journey through life. Our diploma certifies our past accomplishments and qualifications for future achievements. This phase of our travels was one of pleasant days and friendships that gave meaning and purpose to our labors. We would here share our honors, and acknowledge our debt to our parents, teachers and friends, whose generosity, kindly interest and sincere help, has let us know this day.

To start the homecoming festivities a day was dedicated as Red and Black Day. All students participated by wearing costumes of their own originality.

Bobcat Day was brought to a climax when Paula Arndt and Bill Gamble were crowned Lord and Lady by last year's royalty, Mary Kay Mitchell and Reed Sanderson. Their attendants were Nancy Larson, Nancy Anderson, Tom Behrend, and Ron Otterness.

After the coronation and pep fest at the school, the Royalty led the crowd to the bon fire at Pioneer Park.

On Friday night Lady Paula and her attendants circled the field preceding the homecoming game with Mitchell. Following the Bobcat's victory the Bobcat Dance was held at the school. Lady Paula and Lord Bill led the grand march followed by last year's royalty and this year's royal attendants.

"Meet me in St. Louis"

The plot of the play centers around the Smith family of St. Louis. When Mr. Smith announces he has decided to move to New York because of a better position, the difficulties really begin. The whole family is upset as it will be soon time for the great World's Fair to open in St. Louis and they do not want to leave all their friends to move to a strange town. Tootie, Agnes, Rose, and Esther, the four daughters, do everything in their power, and even more, to help change their father's mind. By the use of waterbombs, leg biting, derailing a trolley, they do succeed. Mr. Smith is fired! Even Rosie's beau has transferred to Columbia University in New York. When things could get no worse, Mr. Dodge, the boss, realizes he needs the father in the business and Mr. Smith is reinstated in his job. John does not go to Columbia, and peace is restored to the Smith's home in St. Louis.

"Father was a Housewife"

The play centers around an unusual family, the Butlers. Mrs. Butler is a successful doctor and also the breadwinner of the family. Her husband, who is an unknown songwriter, stays home to keep house and watch their teenage twins while his wife is busy with patients. As time elapses the stack of songscripts on the piano grows higher and higher. But Mr. Butler is happy being a "housewife." He sweeps, irons, and bakes a "mean" apple pie. A snooty neighbor succeeds in getting him nominated "Mother of the Year". Shortly after Mr. Butler is visited by a disc jockey and a top singing star of the day. They tried to persuade Mr. Butler to let them use several of his songs for recording purposes. After some difficulty Mr. Butler finally agrees to let them use his songs. The kids really love him for this. Success comes at last and Father is "tops" once more--at least in the eyes of his adoring wife and the lives of the zestful twins.

It's a "Ball" for the Girls

MRS. JEAN SORENSON

Director of Girls
Physical Education

GAA activities are composed of seven major sports. At the beginning of the school year the girls were busy playing soccer and volleyball. The highlight of the winter season was basketball. Eighteen girls were chosen to play an All-Star game before an all-school assembly. The Matcats, which was composed of 10 girls, were active with their tumbling and performing for basketball games. Badminton is also a popular sport played by the girls. A tournament was played which consisted of singles and doubles. Trophies were given to the winners of each group. The GAA season was culminated by the outdoor sports, softball and track. The final event of the year was the track meet. Each activity was headed by a chairman and these girls made up the GAA Board, of which Sharilyn Younger was president.

The Gentless Jive, a girls' costume dance, was carried on by the Junior High.

Learning by experience, Latin Club members ate traditional Roman foods with their fingers while clothed in sheet and bedspread togas at their annual May banquet. King and queen of the Saturnalia, a Roman winter holiday, were crowned at the special Christmas program. Eighth graders were informed of the values of Latin at a special program for those interested in studying Latin next year. Features of the other programs included informative reports, skits and other activities which emphasized Roman life and culture.

Spanish Club

Está abierta la sesión! was the call to order heard at Los Amigos. One of the largest and most active clubs at BHS, Spanish Club sponsored the colorful and exciting Spanish Fiesta. Other activities included the traditional fish-pond at the Kinetic Klub Karnival, a visit to the SDSC language laboratory, a special Christmas program and a pot luck supper to honor the outgoing seniors at which the officers for the coming year were solemnly installed. The organization's two new members from Cuba, Mayra and Isis, helped it to fulfill its aim of bringing Spanish culture to BHS.

The dramatic talent of Cue Club members was effectively displayed in pep assembly skits as well as in amusing programs for the club's monthly meetings. To qualify for membership, a student must have been a member of the junior or senior play cast, a committee chairman in either year or a committee member for two years. Initiation was held twice during the year at suppers honoring the casts of both plays. Old members brought the food for these suppers and the new members afforded the entertainment by their stunts which often proved very hilarious. At the Kinetic Klub Karnival the bravest members offered themselves as targets for a highly successful squirt gun booth. An activity sponsored by the club which included the whole school was a sock hop during the winter months. The seniors were honored at a final supper.

The Future Homemakers had a very successful year. The club met once a month and had a variety of interesting programs. The motto for the club is "Towards New Horizons" and its purpose is to interest girls in the field of homemaking. This year the club revived the idea of having a Christmas semi-formal dance and it was called the Mistletoe Ball. A number of girls attended the District Conference in Webster. The girls observed FHA Week by taking a red rose, which is the club flower, to each classroom. United Nations Day was observed this year by all the members wearing a costume from a certain country. There was also a potluck supper that evening. The officers for this year were Nancy Felt, president; Ann Westbrook, vice president; Kathleen Freyberg, secretary; and Gerelyn Stewart, treasurer.

Gaining knowledge and interest in the teaching profession, the members of FTA started the new school year with a potluck supper and initiation. The next event was a teacher's clinic sponsored by the Kiwanians and the Delta Kappa Gamma at SDSC. At the Kinetic Klub Karnival, the members sponsored the FTA jail. Patty Stickel and Charlotte Culver were honored at the DKG's noon luncheon.

Laurel Stime received the AAUW scholarship for teaching. The school year ended with the annual Spring Banquet held at Volga. The guest speaker was Liz Speckels, who gave a talk on her visit to the Philippine Islands. Throughout the year, Mrs. Sheimo, the club's advisor, gave help to the members in observing and teaching a grade of their choice.

Members of the FNA club were busy throughout the school year. The club toured the Sioux Valley Hospital and the Crippled Children's Hospital in Sioux Falls. At the annual Kinetic Klub Karnival the club sponsored a cookie booth that was very successful. Some of the members attended the State Future Nurses Convention held at Wagner, South Dakota. The club's advisor, Lela Halverson, held a pre-school roundup for incoming students. Many of the members assisted Miss Halverson in this pre-school checkup. Near the close of the school year, the members of FNA took part in a program of sterile supply for the Civil Defense which was held at the fieldhouse on the SDSC campus. The club closed the school year informally with a picnic.

This year's work in FFA began with a district officers' meeting at Bryant. In October, club members began to sell Curtis Magazines which supplied most of their funds. Three delegates were chosen to attend the National Convention in Kansas City. The organization's annual practice judging, held at SDSC, was one of the best in the state. A parent-and-son banquet in December gave the boys an opportunity to show their gratitude to their parents. The eight FFA judging teams which attended training schools at Sioux City, Madison, Elkton, De Smet, Sioux Falls, Volga, Willow Lake, and Bryant proved themselves to be very outstanding. The poultry team won the State Poultry Judging Contest and will compete in the National Contest this fall. Gary Johnson won the State Farmer Award at the State Convention besides being awarded the Dekalb Foundation Award. This year's FFA had reason to be proud of 1960 graduate Alvin Knutson who was one of three young men in South Dakota to be awarded the title of American Farmer. To highlight a truly successful year, the Brookings FFA chapter was given a superior rating at the State Convention for outstanding work. The chapter honored its outgoing seniors at the close of the year by sending them and their advisor, Mr. Kleinsasser, to the Black Hills for a fun-filled trip from June 5th to the 9th.

Broboca Staff

Over thirty issues of the Broboca recorded the events of the 1962-63 school year. Journalism club is composed of the Broboca staff. This year the club toured the Journalism Department at the College, sponsored a booth at the Kinetic Club Carnival, and beat the Monogram Club at softball.

The photographer, Harvy Svec, is the unsung hero of Journalism. He puts in many hours for both the Broboca and Bobcat

Bobcat Staff

To make each page of your 1963 Bobcat took long hours of measuring, cutting, taping and typing. Toward the end of the school year and into the summer, Room 201A was bustling with activity as the staff struggled on to their deadline in spite of graduation and the flurry of other year's-end activities. With the patience and guidance of their advisor, Miss Helland, the yearbook finally neared completion although vacations, summer jobs, the heat and countless other conflicting elements interfered. As the sound of the typewriters finally died away, staff members breathed a sigh of relief but still there was a touch of nostalgia--this was the last project of the Class of '63.

The Voice of the Students

Under the leadership of President Bill Gamble, the Student Council had a productive year. They served as the governing nucleus of the student body and tried to work out satisfactory solutions for the students' problems. Through their diligent efforts, the senior honor roll students were released from study halls for nine weeks and the A and B students of the senior class were exempt from final exams. They initiated the first dress-up day which was highly successful as shown below left. Pictured below is Bill with next year's officers.

Our Superiors Reflect

As the 1962-63 school year drew to a close, so ended the twentieth year that the band and the orchestra have been under the baton of Mr. Larson. This also marked the twentieth year that the band and orchestra have received superior ratings at the large group music contest. Soloists and ensembles earned fifteen superiors at the small group contest in February. Ten students participated in All-State Orchestra and three attended All-State Band, both held in Huron.

Beginning with football in the fall and continuing through the basketball season, the band has been on hand to provide "pep" music at the home contests. A half-time show was presented at the Bobcat Day game. As in previous years they marched in parades on Hobo Day, Memorial Day, and for the SDSC Stampede. Music for all tastes was presented at the annual winter concert, which also included special scenes and lighting effects. The 95 musicians also played for the SDSC band clinic and closed the year by providing music at commencement exercises.

A combined concert with the vocal department during Music Week was the high point of the year for the orchestra. The group attended 8:00 A.M. rehearsals throughout the year to prepare for this and their appearances at the Christmas concert and the class plays and at Baccalaureate.

Voices Raised In Song

Students in second-period history directly above the vocal room became almost as familiar with Select Choir's numbers as the choir did as they rehearsed for their appearances at the Christmas and Spring concerts, a senior high assembly, and commencement. The choir received a superior rating at the large-group music contest, and four superiors were earned at the small-group contest.

A madrigal group, composed of sixteen Select Choir members, was instituted last year. This group participated in the music contest and also received a superior rating.

Cheers that Led the Bobcats to Victory

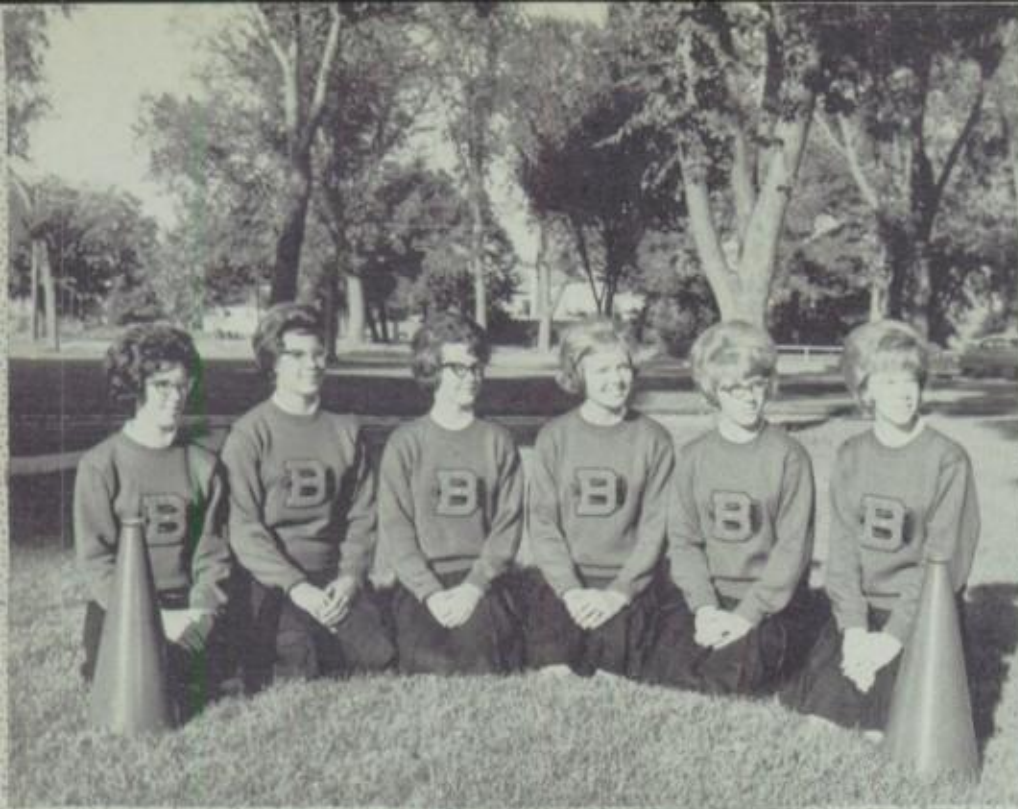

With a fanfare of trumpets the pep band gave each pepfest the proper spirit and enthusiasm; and in their bright red jackets the pep club performed skits, added color and atmosphere to home games, and actively supported the athletic teams of this school.

Cheerleaders boosted school spirit at every opportunity and backed the teams through both victories and losses. They encouraged good sportsmanship at football and basketball games. Their tasks were many planning pep meetings ... backing the team at all times and urging, "Go, Cats, go" ... and lending a helping hand to the "B" squad cheerleaders who are also to be congratulated for a job well done.

Labeled the "defending state champs," and the "team to beat," the Bobcats proved capable of playing under pressure during the season. Short on the necessary bench strength, the Bobcats came from behind and pulled out many close games this year on good team spirit and some outstanding performances. In a well balanced conference, the Bobcats wound up with an 11-3 record which put Brookings and Mitchell in a first place tie. The Bobcats had to play hard to get past a determined Indian team and into the State Tournament. After a shaky first game against Lead in this tournament, the underdog Bobcats came back to beat a supposedly undefeatable Custer team. But there just wasn't enough steam left for the championship game against a good Sisseton team.

Left: John Murphy received the Jaycee Hustler Award and Jim Nelson the Most Valuable Player Award.

Action to right: 1. Ron goes high for rebound in game that proved to be "Custer's last stand." 2. Mar fights for ball. 3. Bill tips one in. 4. Steve gets in a little trouble. 5. Jim lays one up.

Tom,
You a swell kid,
Key a hot Rod, and
a tight Box.
Tom

Tom, you know
Hi doll, you feel good
you make me feel good
so keep it up. Huh?!
You're a really swell guy,
and I know you're going
to have a good time all the
rest of the year!! Of course,
I still think you could come
to our homecoming. But I
still love ya anyway.
Handi
